

## Media Information 2012

### General

*Maankäyttö* is the leading surveying magazine in Finland. *Maankäyttö* covers subjects such as: surveying, cadastre, facility management, real estate enterprises, planning, geodesy, photogrammetry, GIS, cartography and surveying techniques and equipment.

Besides professional articles *Maankäyttö* publishes interviews, news, columns and book reviews within the field of surveying.

### History

*Maankäyttö* (Land Use) was founded in 1892 and has been published without interruptions ever since, first as *Suomen Maanmittari-Yhdistyksen Aikakauskirja* (Periodical of the Finnish Association of Surveyors), from the year 1954 as *Maanmittausinsinööri* (Surveyor) and since 1975 as *Maankäyttö*.

### Publisher

*Maankäyttö* is published by *Maankäyttö ry* (a registered association founded in 1996, proceeding from the previous co-operation board of the member associations). The members are the *MIL ry* (Association of Finnish Surveyors), *MAKLI ry* (Association of Polytechnical Surveying Engineers and Technicians) and *SKY ry* (Association of Finnish Cartographers).

*Maankäyttö* is a member of *Aikakauslehtien Liitto ry* (Union of Periodicals).

### Circulation and Distribution
